## **INTEGRATED QUALITY, ENVIRONMENT AND OHS MANAGEMENT SYSTEM POLICY**

The primary objective of our company is to provide the highest quality products, ethically produced with safe and hygienic working conditions, with care for the environment, innovative and in line with the expectations of current and future customers.

Our company specializes, among other things, in the production of packaging for direct contact with food.

We work towards:

- ✓ ensuring the highest quality of manufactured products,
- ✓ reliable distribution,
- ✓ delivering safe products that comply with the law and customer requirements.

We achieve our goals through:

- ✓ constant improvement of employees' qualifications;
- ✓ investments in modern technologies;
- ✓ environmental protection, including prevention of its pollution;
- ✓ fulfillment of obligations resulting from the implemented quality standards;
- ✓ ensuring safe and hygienic working conditions to prevent work-related injuries and ailments;
- ✓ eliminating hazards and limiting health and safety risks;
- ✓ ensuring employee participation in the implementation of the Integrated Management System tasks;
- ✓ continuous improvement of the Integrated Management System in accordance with the requirements of the BRC Consumer Products, ISO 14001: 2015 and ISO 45001: 2018 standards.

The entire team of Sarantis Polska SA is committed to implementing this Policy
